This is a great tool for our community, especially our parents, to help spread the word for you on your company business. The directory is updated three times per year in January, May and September. The directory is available year-round on the HFHS website. **The printed version is published in January.** For your personal copy and/or if you wish to be included in the next update in May, contact Marianne Alonzi or drop your business card in the mail box in the main lobby.
