Community Alliance for Tiger Support
CATS Business Directory Registration Form**

In our on-going goal to support those who support us, HFHS continues to update the current on-line version of our CATS Business Directory. The directory is comprised of businesses owned by current parents, alumni, parents of alumni, sponsors, friends and benefactors of the school. If you own a business and would like to be included in this directory, please complete this form and return it to Marianne Alonzi in the Development Office at HFHS. *Please note that if you do choose to participate in the HF Business Directory, anyone who requests a directory will have access to the information you provide for print.* The printed directory will be published annually in January. The website version will be updated as new information is received. Required information for the directory is in **bold**. Other information is optional.
